ELECTRICAL DEPARTMENT.

Notification dated 4th December 1930.

Notice is hereby given that sealed tenders will be received at the Office of the Chief Electrical Engineer, Bangalore, up to 2 P.M., on 11th January 1931, for constructing one block of Operator's Quarters, two blocks of Cooly Quarters and three blocks of Latrine at Channapatna Town.

1. The tenders will be opened in public at 2 P.M., on 4th January 1931. The work should be completed within five months and the monthly progress should not be less than Rs. 1,800.

2. The plans, detailed estimates and conditions may be seen at the Chief Electrical Engineer's Office, Bangalore, on all working days during the office working hours.

3. Tenders should be accompanied by a statement in the form given below, showing the rates at which the different items specified will be executed. The rates should be in figures as well as in words.

4. Each tender must be accompanied by a deposit of Rs. 200 in cash or in Government Promissory Notes, as earnest money, and be superscribed "Tenders for constructing "Electrical Staff Quarters" at Channapatna Town" in default of which, tenders will be rejected.

5. The final acceptance of any tender will rest with the Chief Electrical Engineer, who does not bind himself to accept the lowest or any tender or to assign any reason whatsoever for the rejection of any tender. The Chief Electrical Engineer also reserves the right to accept or reject any portion of the tender.

6. Within eight days of the award of the tender, the successful tenderer will be required to execute the usual contract bond, in default of which, his tender will be considered cancelled and his earnest money will be forfeited.

7. The name of the successful tenderer will be posted on the Notice Board in the Chief Electrical Engineer's Office, in due course. No enquiries regarding the acceptance or rejection of a tender will receive any reply.

8. On acceptance of one of the tenders, the earnest money on rejected tenders, will be returned.

9. The construction work should be started withing a week from the date of the notification of the acceptance.

10. Any other condition that the contractor may wish to state should also be included in his tender.

11. Water for construction should be got at the contractors own expense.

12. Specifications for works are those recognised by the Mysore Public Works Department and Marryot's specifications.

13. The contractor should be bound by the condition of the Schedule of Contract of the Electrical Department.
